**RE-SUBMISSION OF PETITION TO BE MADE SPECIAL**

I, Bruce George Sharpe of 2 Elfrieda Street Old Toongabbie, NSW Australia hereby state that I consider that I am eligible to qualify under the provisions of the Regulations of the USPTO to have my application 'made special'.

I have previously provided a similar request upon my initial application some 15 months ago and I included proof of age at the time. I will be 67 years of age on 19 July 2003.

Favourable and expeditious consideration of this re-submission request is now sought.

Yours sincerely

Bruce George Sharpe
